Events

November:

R.K.Foundation has partnered with Janyaa with a vision to change the lives of under-privileged rural government school children in Karnataka & Kerala. The programme is initiated to equip school teachers to ingrain math and science concepts in children, encourage them to be innovative, to solve day to day problems. Educational kits (including experiments and games) were provided to the schools and teachers were trained on the use of these kits

Training Programme & Kit distribution – Karnataka
